

CORRECTION NOTICE:

Leave Tree Marking Units and Sale Area Map

BUCKHORN TIMBER SALE

May 13, 2015

Recently, it has come to our attention that two errors were made in the original package sent to all bidders for the Buckhorn TS on the Sylamore Ranger District (originally published on April 30, 2015).

The first error was not including the Leave Tree Marking (LTM) units in the Prospectus Information:

Payment units 12, 13 and 18 are designated as Leave Tree Mark (LTM). In units 12, 13, and 18(LTM as shown on the Sale Area Map) all orange painted trees are designated for leave.

The second error we found was that the Maps included in the bid package did not include the changes (LTM and Reserve Tree markings). We apologize for these errors.

We have included the revised Sale Area Maps showing the corrected unit changes. If you have any further questions please contact Mark Burge (479-964-7267) at the Supervisors Office in Russellville. Thank You.
